WALK-N-ROLL 2015

Planning is underway for the 2015 Walks. Begin to recruit team members and start your fundraising. The Walk-N-Roll is our largest fundraiser of the year. We need your support to reach our goals so we can continue programs and services.

This year we have four sites around the greater New England area:

Massachusetts Hospital School, Canton, MA - June 6th

Rock Church, Scarborough, ME - June 20th

North Hampton, MA, Look Park - September 12th

Nashua, NH - October 3rd (site to be determined)

Visit SBAGreaterNE.org for links to each site.

Summer Picnic

Mass. Hospital School, Canton, MA

July 18th, 10:30 AM - 3 PM

SBAGNE is once again throwing its Annual Summer Picnic! Swimming, wheelchair-accessible pontoon boats, food and beverages and tanning are all yours for the taking! Come enjoy the company of other SBAGNE members and enjoy a fun day. For more information, directions and registration information, visit the [Summer Picnic Announcement](#).

Fisher Cats Baseball

Join SBAGNE for an afternoon of good old-fashioned fun at a Fisher Cats game, Sunday, August 2, 2015 at the Northeast Delta Dental Stadium in Manchester, NH. For more information, [download the flyer](#) on the SBAGNE website under Events. Tickets are limited!

Regional Education Days

SBAGNE is planning 3 regional education days in 2015. Tentative plans include events in Eastern and Western Massachusetts and Maine. Check upcoming newsletters for dates, locations and topics. These regional events will replace the larger Annual Conference. SBAGNE expects that by dispersing the events across our service area, we will reach greater numbers of individuals in the Spina Bifida Community.

Falmouth Road Race

SBAGNE has once again been awarded 25 charity entries for the 2015 Falmouth Road Race. The race is on August 16th. If you are interested in participating as a member of TEAM SBAGNE, contact Jeff Vendetti for more information or visit the [SBAGNE FRR site](#) today. Minimum fundraising requirement is \$750.

Hello All!

Finally we have warm weather coming in and no more SNOW! We have great events planned and hope you all can participate.

First I would like to welcome **Aimee Williamson** to our Board. She comes with great experience and knowledge of the non-profit world and we know she will be an asset to our organization. Welcome Aimee!

SBAGNE has four **Walk-N-Rolls** scheduled this year, taking place in Canton and Northampton Massachusetts, Scarborough, Maine and Nashua, New Hampshire. Please check out the scheduled dates and join in the event in your area. Remember that your donations make all that we do for you throughout the year possible so form a team or make a pledge today!

Once again **TEAM SBAGNE** is running the **Falmouth Road Race!** We are lucky to be a part of such a prestigious race. We have returning supporters as well as new participants running and raising funds. But *we need more runners!* If you or someone you know would be interested in running for we still have several numbers left. Please contact us for more information.

As always there are wonderful events scheduled for the spring and summer which you will want to attend. I encourage you all to go to our website to get the up to date information but do want to mention a couple of them to you: There will be a **Sailing Day at Piers Park in East Boston on Saturday, May 30th** that have boats that are able to accommodate manual and power chairs and a great park is there to have a picnic lunch and just enjoy the scenery! In addition there is going to be a **Hiking Day with Waypoint Adventures on Saturday, June 27th in Canton.**

Once again I would like to thank everyone who volunteers their time to assist with these events and make all of this happen.

Sincerely,

Barbara

Barbara Lee, Chair SBAGNE

SPEAK

(Spina Bifida Policy, Education, Advocacy, and Knowledge)

Grassroots advocacy is at the heart of our advocacy efforts. Through grassroots efforts, our Community is empowered to take real action that can make a tangible difference for everyone who lives with the challenges of Spina Bifida.

To help grow these efforts, SBA has established the SPEAK for Spina Bifida program. SPEAK stands for Spina Bifida Policy, Education, Advocacy, and Knowledge. Participants in this program help to shape public policy and programs around Spina Bifida by interacting with their federal and state representatives in a variety of ways.

Visit www.sbaa.org for more information.

The 5th annual BLIN'G (Better Living N' Girls) Weekend was held March 6th through 8th at the Newton Marriott. It was the largest group yet, 20 girls each with a parent! The weekend presentations included Chi Gong, healthy living, nutrition, staying active and mentoring. Once again the girls enjoyed the Saturday night pool party, movie and chocolate fountain! The weekend finished with makeovers and a lunch at Margarita's Mexican Restaurant in Waltham. Plans are underway for 2016!!!
