

Spina Bifida Association of Greater New England (SBAGNE)

Hello, I hope that this letter finds you well.

I'm writing today to inform you that after thoughtful consideration, our 2022 Chapter Awards jury selected Leadership Academy as the winner of our Outstanding Program for Adults Category for our 2022 SBA Chapter Awards.

I want to write that the jury and I were beyond impressed on how you created this outstanding adult program. We're so thankful that with the generous help and support of the Christopher and Dana Reeve Foundation, SBAGNE was able to offer two cohorts of Adult Leadership Academy in 2021. Empowering people in your community to identify and then utilize personal strengths, leadership skills, and then to create a personal mission statement to help them internalize this work is very impressive. We imagine this impact will stay with participants for a long while.

On behalf of the entire team at SBA, thank you for all that you do for those living in your community.

We are so fortunate to be your partner as we continue to work together to improve the lives of those impacted by Spina Bifida.

Thank you,

*Sara Struwe
