

**Spina Bifida Association of Greater New England (SBAGNE) &
Spina Bifida Association of Northeastern New York (SBANENY)**

Hello, I hope that this letter finds you both well.

I'm writing today to inform you that after thoughtful consideration, our 2022 Chapter Awards jury selected Strut and Stroll: Fashion Show for All as the winner of our Innovative Programming Category for our 2022 SBA Chapter Awards.

I want to write that the jury and I were beyond impressed on how you created this innovative program. Partnering with brands that serve our community through inclusive fashion, celebrating people living with Spina Bifida by giving them the opportunity to be models, and connecting the community with a celebratory event that raises awareness is to be applauded.

On behalf of the entire team at SBA, thank you for all that you do for those living in your community.

We are so fortunate to be your partner as we continue to work together to improve the lives of those impacted by Spina Bifida.

Thank you,

*Sara Struwe
President and CEO
Spina Bifida Association of America*
